Dear Parents and Carers,

As a part of your child's education at Wyvern Academy, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Citizenship Education (PSHCE) programme. PSHCE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, over this term your child's class will be taking part in lessons which will focus on the safeguarding, relationships and sex education (RSE) aspect of this programme.

PSHCE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body.

If you would like further information about our PSHCE programme, please contact Mrs Phillips, Assistant Head Teacher and Pastoral Leader.

Yours sincerely,

Mrs Phillips
