

Wyvern Academy

Enriching Lives, Inspiring Ambitions

12th April 2022

Dear Parent/Carer,

As a part of your child's education at Wyvern Academy we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, after the Easter holidays, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme.

RSE lessons in all year groups will include teaching about: Healthy relationships, including friendships and intimate relationships; families; growing and changing, including puberty; personal hygiene; changing feelings; becoming more independent; keeping safe and consent; developing self-esteem and confidence. Pupils will also have opportunities to ask questions that help prepare them for relationships of all kinds in the modern world.

PSHCE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and Local Academy Board (LAB). All PSHCE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents. If you would like further information about our PSHCE programme, please contact Miss Cox, PSHCE Lead. lauren.cox@consilium-at.com

Yours sincerely,

Miss L Cox
Curriculum Lead for PSHE
