11<sup>th</sup> March 2021

Dear Parents / Carers,

## **Year 11 Lesson 6 – Targeted Academic Support Programme**

Following the return to school of pupils following the recent lockdown, we wish to ensure that they all Y11 pupils have an opportunity to be fully supported in their academic studies in order that they receive the grades that they truly deserve, and build on the momentum prior to school closure.

Teaching staff have been carefully examining the progress made of Y11 pupils, and they have identified pupils where they feel additional support is necessary. Where this is the case, pupils will be asked to attend our Lesson 6 Targeted Academic Support Programme. As you can see from the information below, different subjects have allocated sessions over the two-week timetable.

If your son/daughter has been asked to attend for a subject, contact will be made with you so that you are fully aware of the subject that this is the case. Please note that due to our two-week timetable, the programme begins on **Tuesday the 16<sup>th</sup> of March** with English and Mathematics (i.e. Week B, Tuesday).

Please take an opportunity to read through the information attached. If you have any additional queries please do not hesitate to contact the Pastoral Leader for Year 11, Mrs Burford in the first instance.

Yours faithfully,

Mr O Inglis  
Deputy Headteacher

Mrs R Burford  
Year 11 Pastoral Leader
