On Site Lateral Flow Testing

As a requirement of the Department for Education (DfE), we have been directed to provide on-site lateral flow device tests for pupils on two occasions, 3 to 5 days apart.

Pupils will be expected to attend school on the following dates.

New Year 7 and 8 - Thursday 26th August and Tuesday 31st August
New Year 9, 10 and 11 – Friday 27th August and Wednesday 1st September

Before pupils can be tested, parents are required to provide their consent for each pupil, we cannot use a single consent for a whole family. Please visit the form below and complete the required details. Unfortunately, we cannot perform a test without the completion of this form before the testing day. The consent form also provides the opportunity to let us know if your child/children are only able to attend for one day.
