

Wyvern Academy

Enriching Lives, Inspiring Ambitions

26 October 2021

Dear Parents and Carers,

This afternoon we received notification that the immunisation team will be attending Wyvern Academy to provide Covid vaccinations for most of our pupils on Thursday 04 November 2021. Whilst this is an unexpectedly early slot, we would hope that many of you feel able to give consent for your child to receive the vaccine in school. Unfortunately, pupils in Year 7 who have not yet had their 12th birthday will not be able to have the vaccination in school and should attend a vaccination centre after they turn 12.

Please read the attached information leaflet and follow the directions for providing consent in the letter also attached. If you have any queries regarding the vaccine, please use the links in the letter for further information or contact the Immunisation team on the phone number provided.

As this is holiday time at school, please do not reply to this email address. If you have queries relating to the school provision, please send an email to wva.enquiries@consilium-at.com. This email address will be monitored through the holiday.

Yours Sincerely

Mrs C Moran

Business Support Officer
