

Wyvern Academy

Enriching Lives, Inspiring Ambitions

25 November 2021

Dear Parents and Carers,

Yesterday afternoon we received notification that the immunisation team will be attending Wyvern Academy to provide Covid vaccinations for pupils on Friday 03 December 2021. Any pupils who did not have a vaccine when the team visited in November will be eligible to have one if they have parental consent in advance. Please note that this is an opportunity for a **FIRST COVID VACCINATION**, it is not a second dose for pupils already vaccinated.

Unfortunately, pupils in Year 7 who have not yet had their 12th birthday will not be able to have the vaccination in school and should attend a vaccination centre after they turn 12. Anyone who has had Covid within 28 days will also not be able to have the vaccination.

If you would like your child to have a vaccination and they have not already had one, please come into reception and fill in a consent form BEFORE 12 NOON on Tuesday 30 November. We apologise for the short notice. The school building will be open on Friday 26 November from 10am until 2pm if you wish to do this on that day.

Please note there will not be the possibility for online consents, nor can consent be given by email on this occasion.

Yours Sincerely

Mrs C Moran

Business Support Officer
